Microsoft Power BI

Create this visual

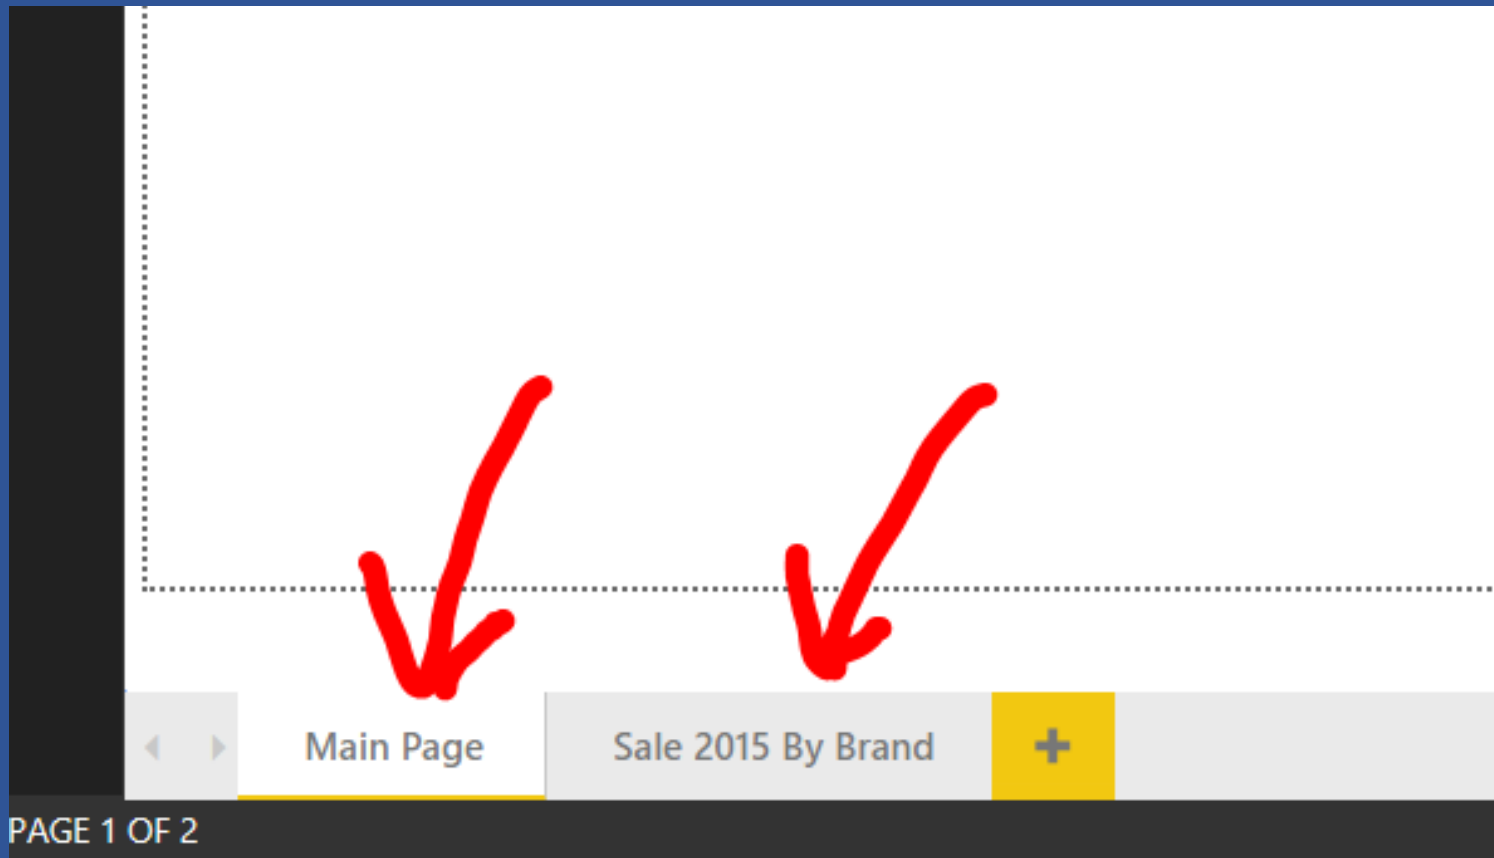

Microsoft Power BI

- Drag field CountryRegion and
- Drop in to DRILL THROUGH

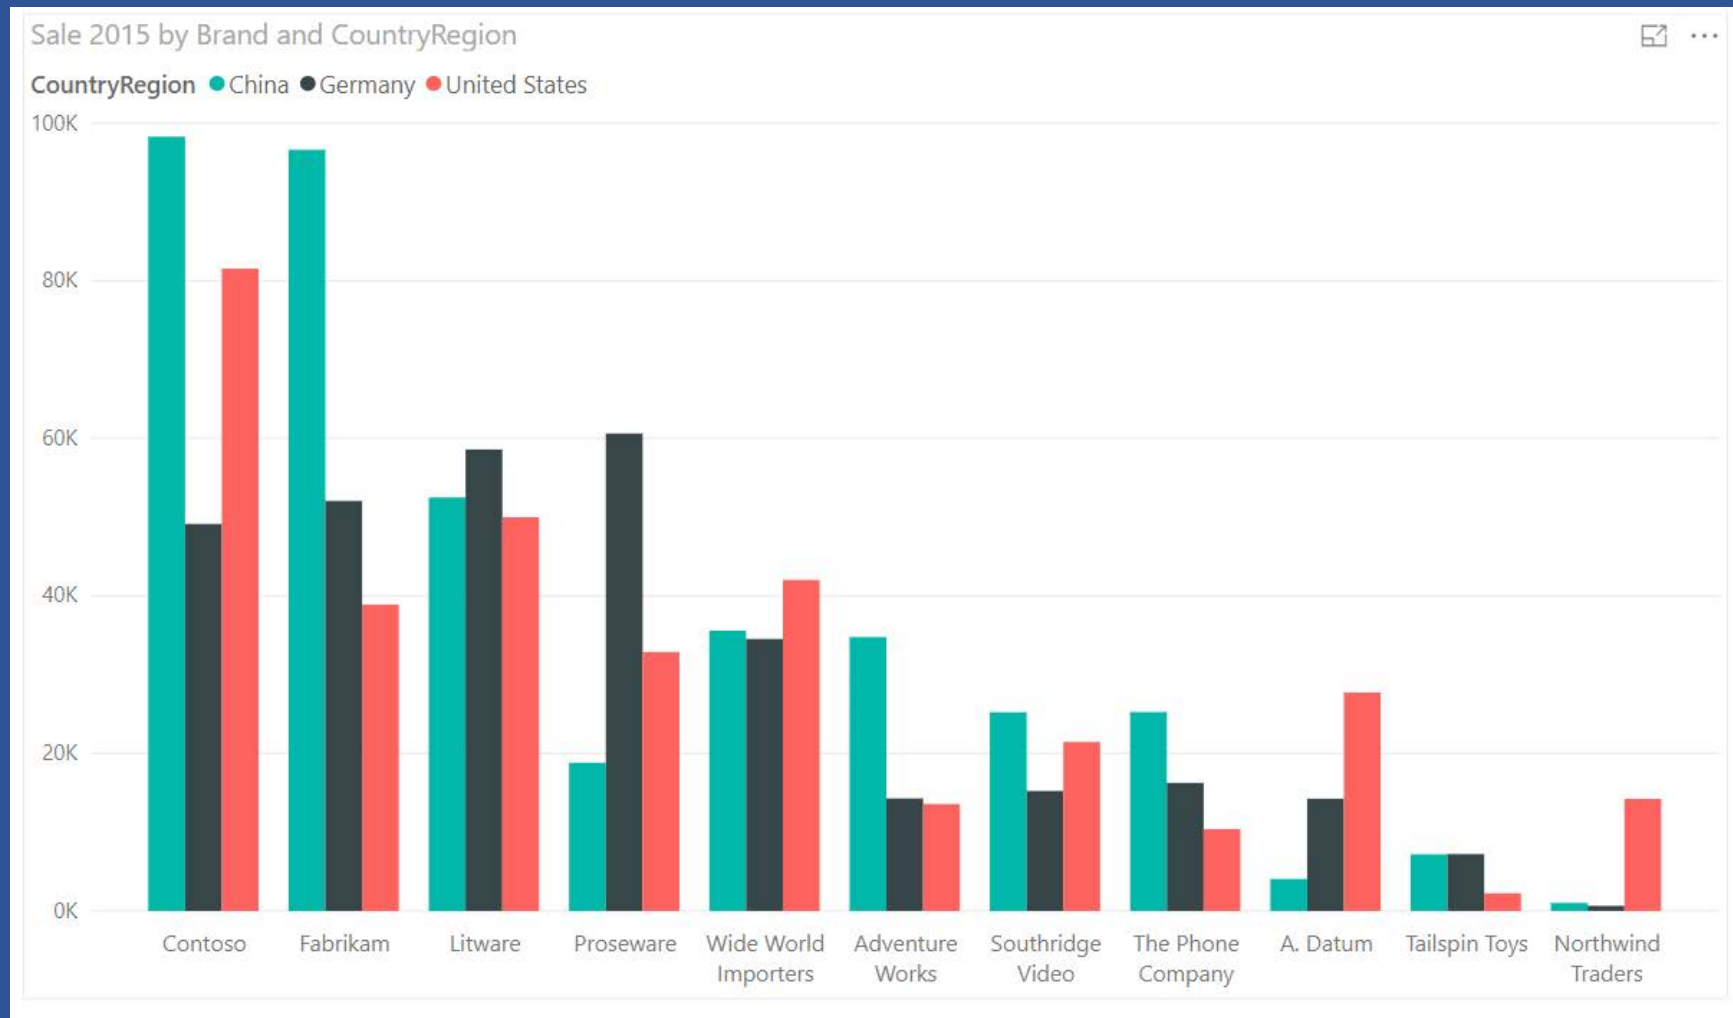

Microsoft Power BI

- Change page name to **Main Page**
- Add 2nd page and Change name to **Sales 2015 By Brand**

Microsoft Power BI

Add this visual to 2nd page

Microsoft Power BI

- Drag field CountryRegion and
- Drop in to DRILL THROUGH

The screenshot displays the Microsoft Power BI interface with the 'VISUALIZATIONS' and 'FIELDS' panes. A red arrow points from the 'CountryRegion' field in the 'FIELDS' pane to the 'DRILLTHROUGH' section in the 'VISUALIZATIONS' pane. Another red arrow points from the 'CountryRegion' field to the 'DRILLTHROUGH' section. The 'DRILLTHROUGH' section is expanded, showing a toggle for 'Keep all filters' set to 'On' and a list of countries with their respective counts.
